DANI DIVINE

Hi Dani, welcome back to Elite! What have you been up to? I've taken a short break from shooting recently so I've managed to catch up on a lot of TV shows. I'm back to work tomorrow however. I think I'm looking forward to it!

What was it like to work with Jack on this shoot? Pretty chilled. Jack's very useful with giving directions which makes it nice and easy for me!

Who are the models you look up to? Dita Von Teese has always been an inspiration to me. She's a beautiful model and I love her more fetishy stuff. She's also a really talented performer, and very successful business woman. I love her lingerie line and I'm the new proud owner of her Madame X set!

What was your favourite part of the shoot? Playing with Jesus Phoenix (Jack's kitten). I can't lie!

Outside of modelling, do you have any other passions? I'm addicted to travelling, I love my adventures on the road. I'm also a live music junkie. I'm a guitarist myself, and I'm pretty handy on a night in with my sewing machine and giant box of studs and spikes.

If you could be one person for the day, who would you be and why? I've never wished I was someone else, no one should! But if I did, it would be on a day when I have a heavy hangover and a lot of work to do. And I would be Alice Cooper.

If you could be in charge of Elite for one week, what would you do? I wouldn't change a thing!

If you could be a superhero, who would you be and why? No one in particular, but I guess it would probably be useful to be able to fly very long distances.

Photographer: Jack Russell

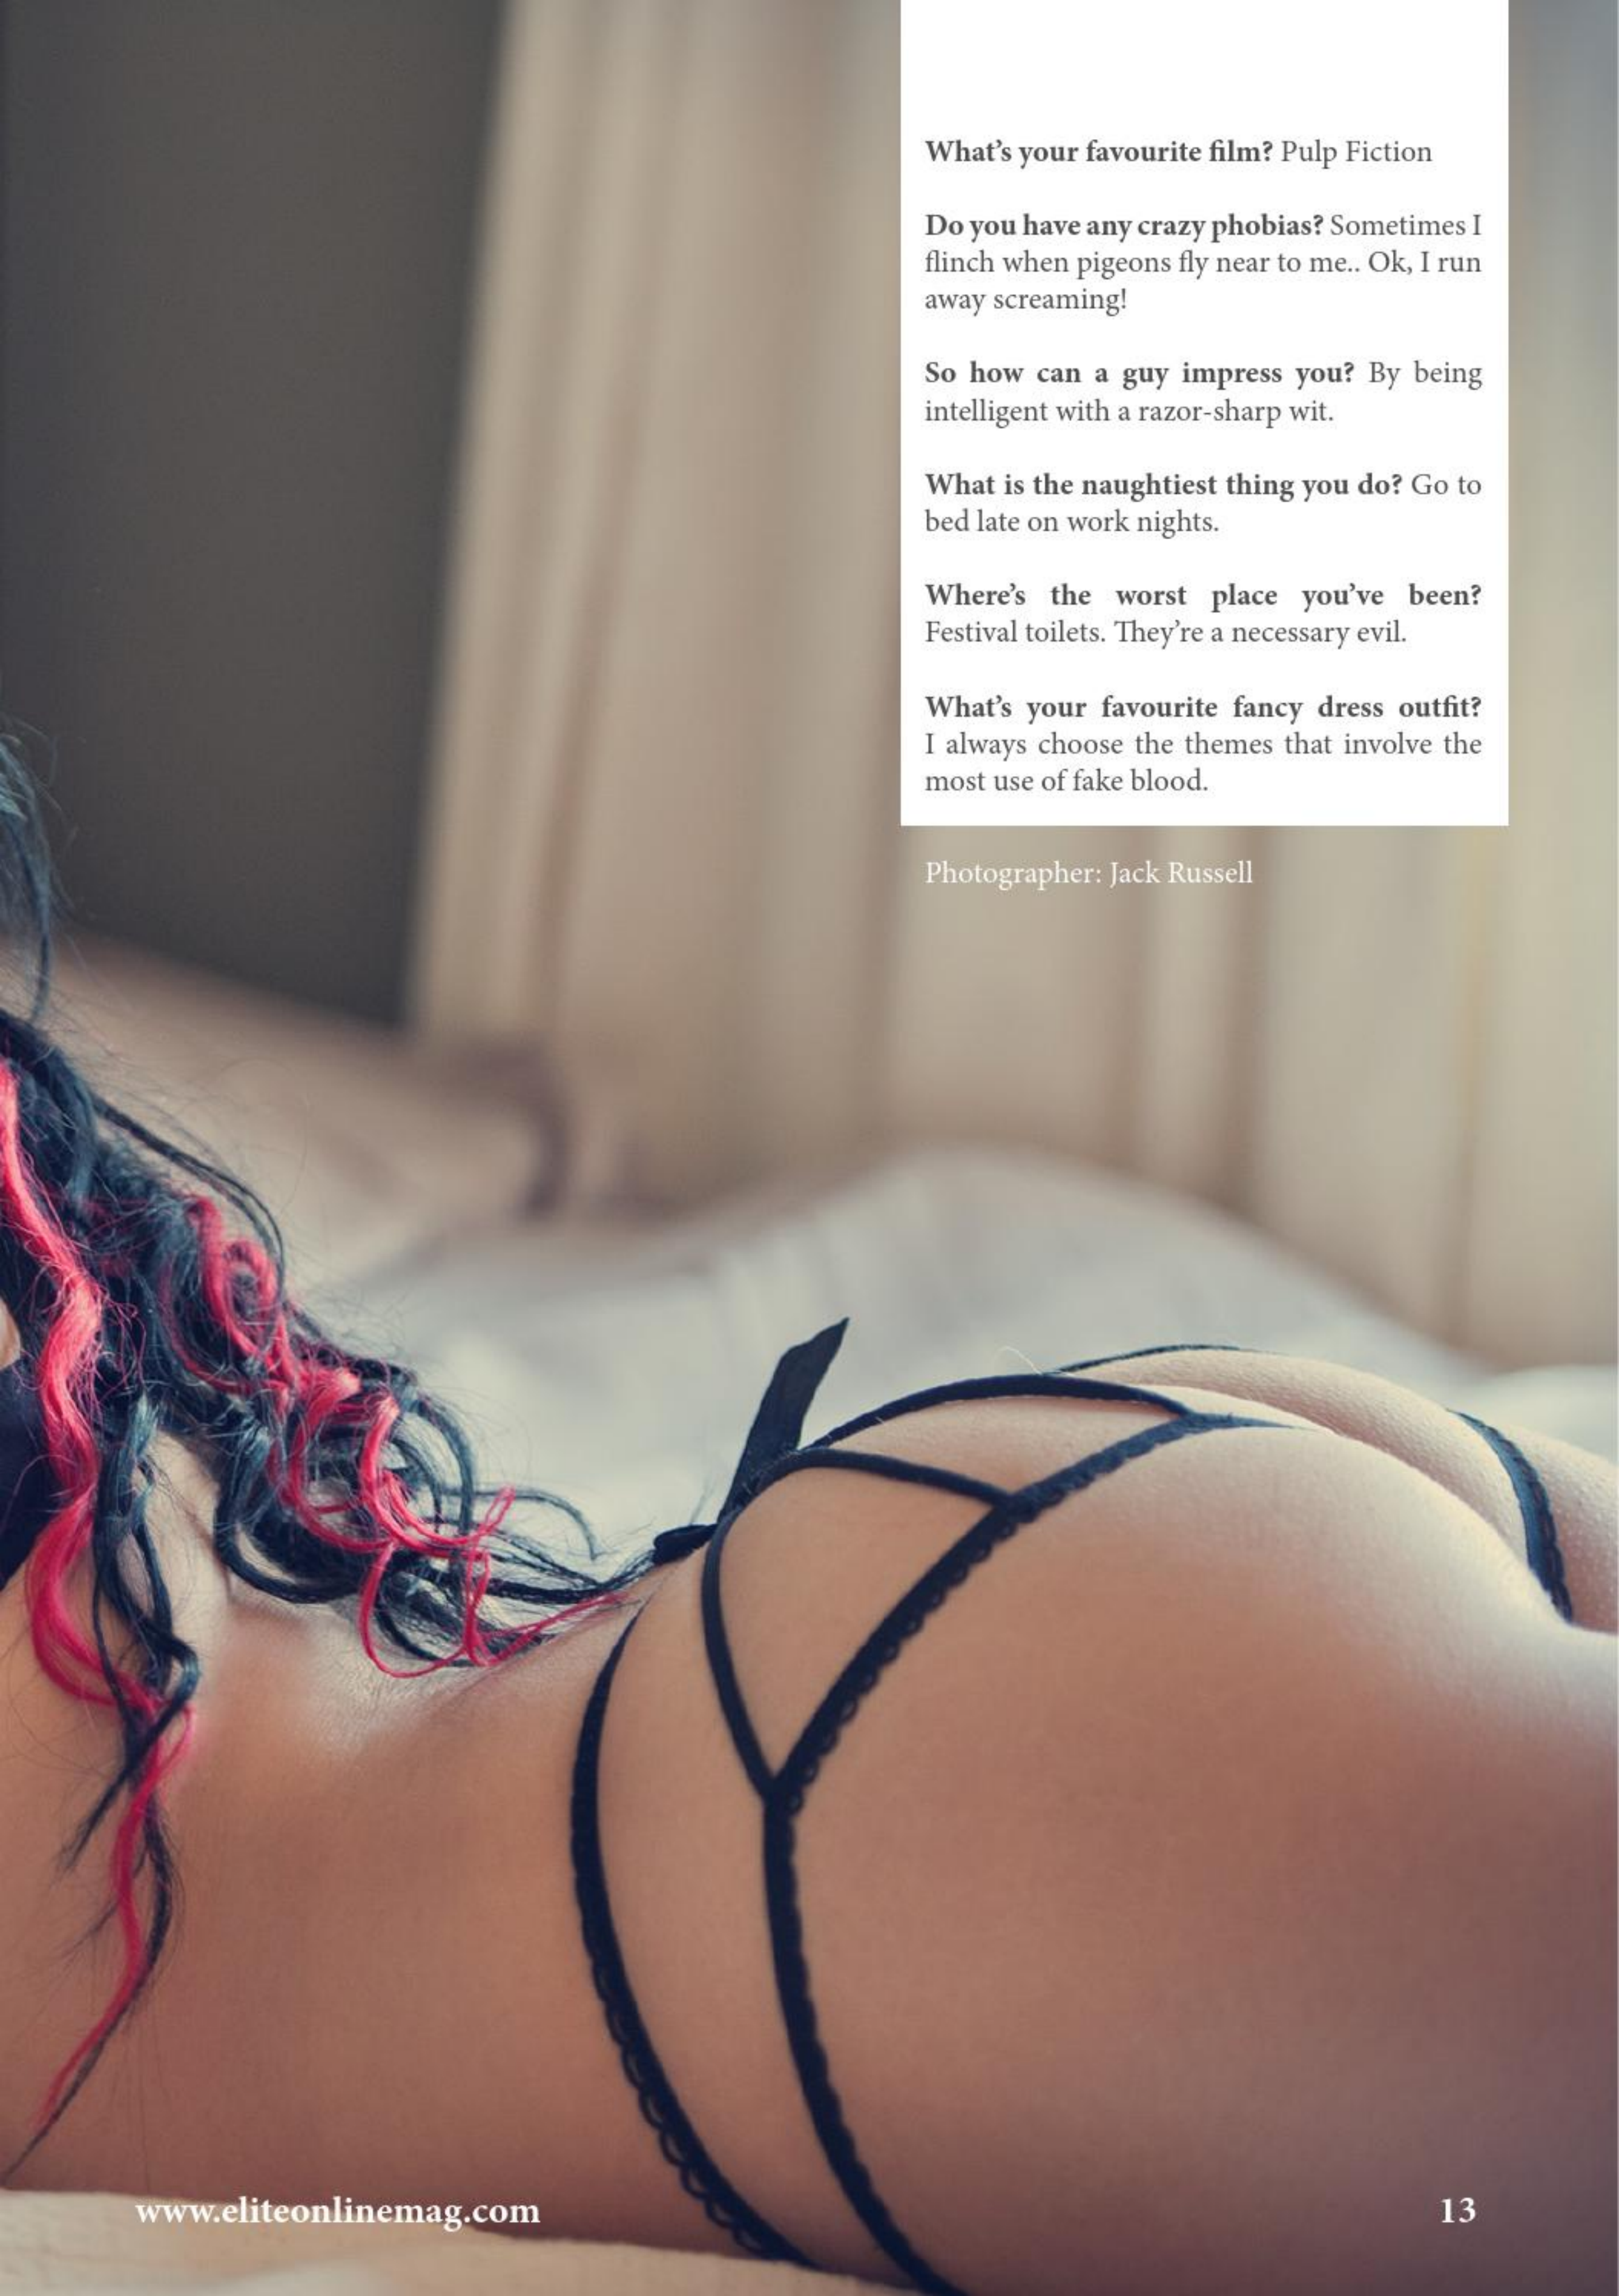

WHAT'S A GUARANTEED TURN ON FOR YOU? ANY HAIR STYLE WHERE THE HAIR IS PARTLY SHAVEN TO THE SKIN. MOHAWKS, DEATH HAWKS AND UNDERCUTS ALL COVER IT.

What's your favourite film? Pulp Fiction

Do you have any crazy phobias? Sometimes I flinch when pigeons fly near to me.. Ok, I run away screaming!

So how can a guy impress you? By being intelligent with a razor-sharp wit.

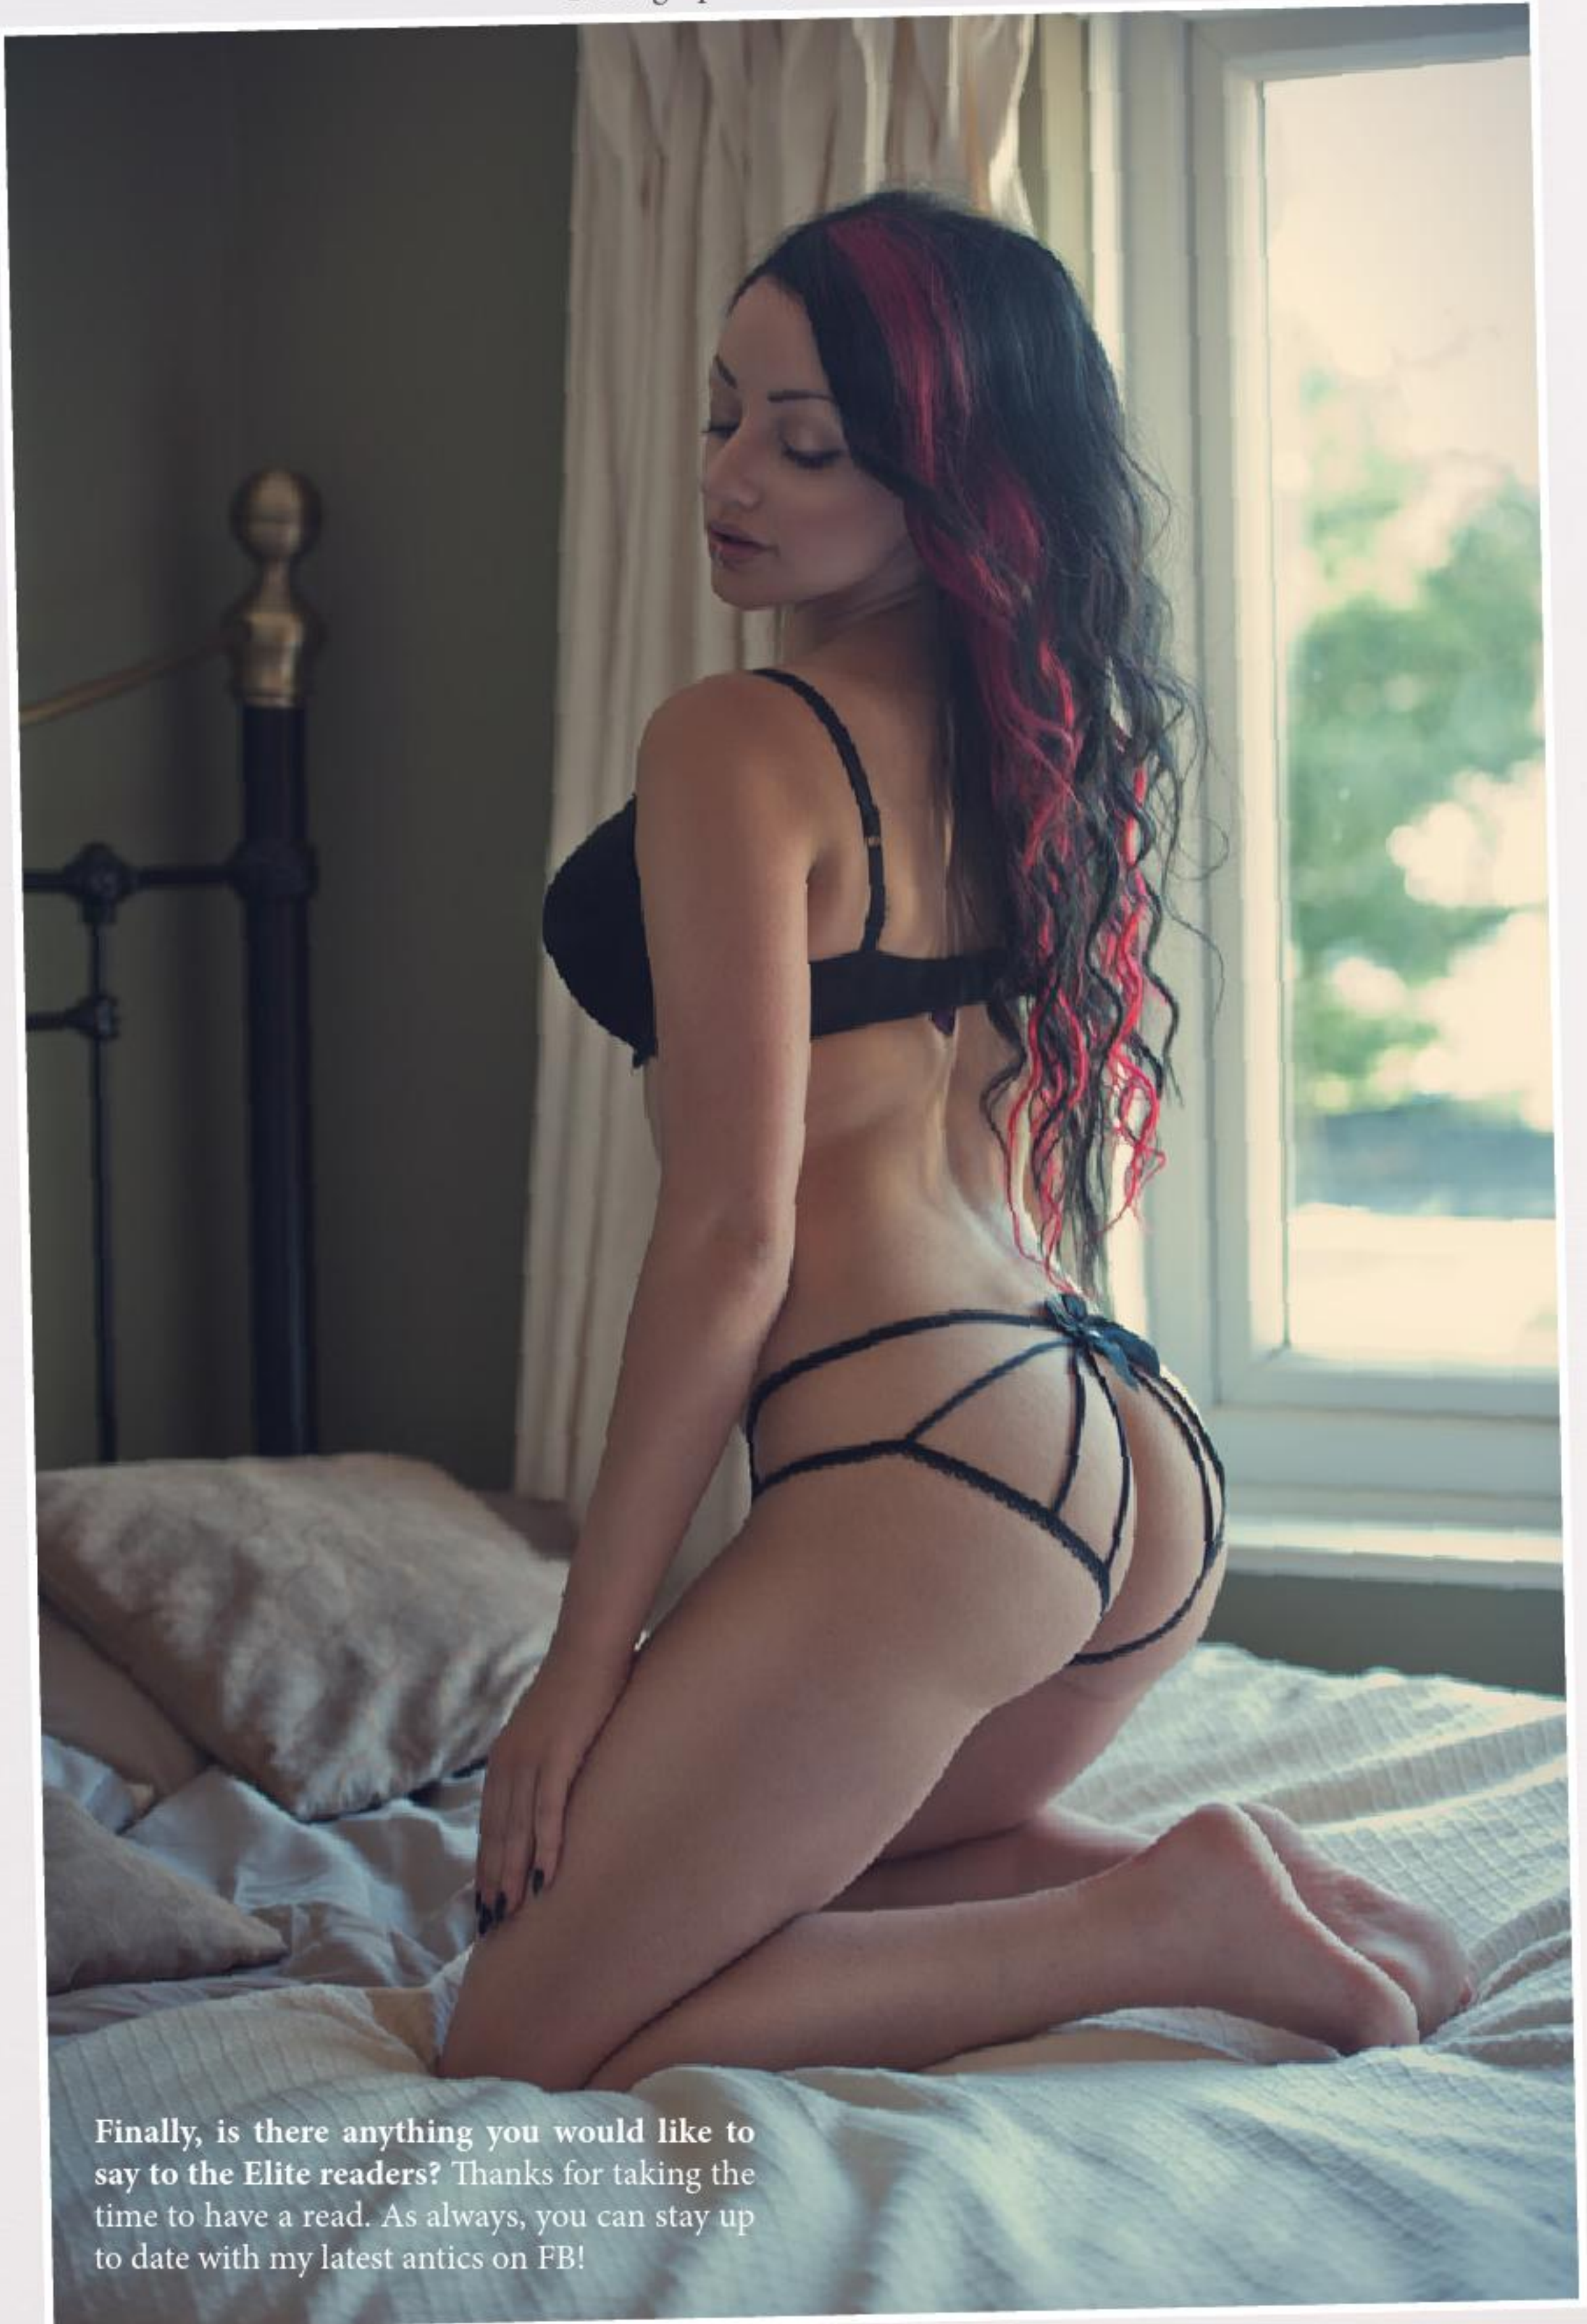

What is the naughtiest thing you do? Go to bed late on work nights.

Where's the worst place you've been? Festival toilets. They're a necessary evil.

What's your favourite fancy dress outfit? I always choose the themes that involve the most use of fake blood.

Finally, is there anything you would like to say to the Elite readers? Thanks for taking the time to have a read. As always, you can stay up to date with my latest antics on FB!

JAZZMEGAN

Hi Jazz, welcome to Elite! What have you been up to? Hiya! I have been mostly working and doing some shoots back home in Liverpool and spending time with my boyfriend and friends, the usual social life.

What was it like to work with Tripodski on this shoot? Working with Tripodski was awesome, we had a lot of fun so it was easy to relax and it didn't feel at all uncomfortable. He's a really cool guy.

Who are the models you look up to? Alysha Nett. Always. She is perfect.

What was your favourite part of the shoot? I think probably my favourite part was working with the other two girls, Jo and Keshia. It was just really fun and they're also a couple of girls I look up to model-wise.

Outside of modelling, do you have any other passions? I trained to be a chef when I left school but I didn't stick it out professionally so I like to cook a lot when I can. Other than that just the usual drinking, tattoos and shopping.

If you could be one person for the day, who would you be and why? I'm actually allergic to all dairy and I can't eat pizza so I'd probably be anyone who could just eat a ridiculous amount of pizza and ice cream. That's the dream.

If you could be in charge of Elite for one week, what would you do? I'd probably throw a huge party for all the models, just to surround myself with beautiful women. Have a kind of playboy mansion thing going on.

If you could be a superhero, who would you be and why? She's kind of a mix of hero and villain but I'd definitely be Gamora from Guardians of the Galaxy. She's just a bitch and can fight anyone and I like that in a woman. Plus I'd get to have a little flirt with Peter Quill.

Where's the worst place you've been?

I disagree with this but a few friends and I went to Greece a few years back and there was this little dive bar by our apartment, which was like the first place we went when we got off the plane. Thinking back it was an awful place but I loved it and I made everyone go near enough every night so I could dance on the bar. That's definitely up there for worst places though.

What's your favourite film? It's tough to pick one so my top three are The Crow, Lords of Dogtown and Queen of the Damned.

Do you have any crazy phobias?

Peacocks. They're straight from hell and I just can't be around them. I used to beg to go the farm and then refuse to get out of the car cause I knew there was a peacock lurking. There was always one somewhere.

So how can a guy impress you? I'm pretty easy going, but a bit of push and pull is always good. I don't want a guy who spends 24/7 telling me I'm a goddess. Someone with a bit of backbone who I can banter with is the best way to impress me.

What is the naughtiest thing you do?

Haha, off the top of my head I can't think. I grow my nails really long and file them super sharp so I'm just constantly ripping people to shreds. I get shouted at a lot for that. I've even cut my nails off before to avoid injury.

What's your favourite fancy dress outfit?

A few years ago I went as Jessie from Pokemon and it was literally the greatest thing ever. I never wanted to change.

Finally, is there anything you would like to say to the Elite readers?

I'd like to say thanks for having me and keep checking out Elite. It's an awesome magazine and I should hopefully be back soon to show you guys some more ;) x

LAIKA

Photographer: Tripodski

Hi Laika, welcome to Elite!
What have you been up to?
Hey! I have been travelling around the country modelling and partying inbetween.

What was it like to work with Tripodski on this shoot?
Tripodski was awesome! I've never had a photographer sing to me throughout a shoot.. He has the voice of a hells angel!

Who are the models you look up to? I look up to any models who are passionate about what they do, it makes me want to keep improving!

What was your favourite part of the shoot? Probably getting to model some awesome clothing brands and seeing pieces which haven't been released yet

Outside of modelling, do you have any other passions? My other passion is animals, I'm a sucker for a cute, fluffy face! I'm on my way to being a crazy cat lady already

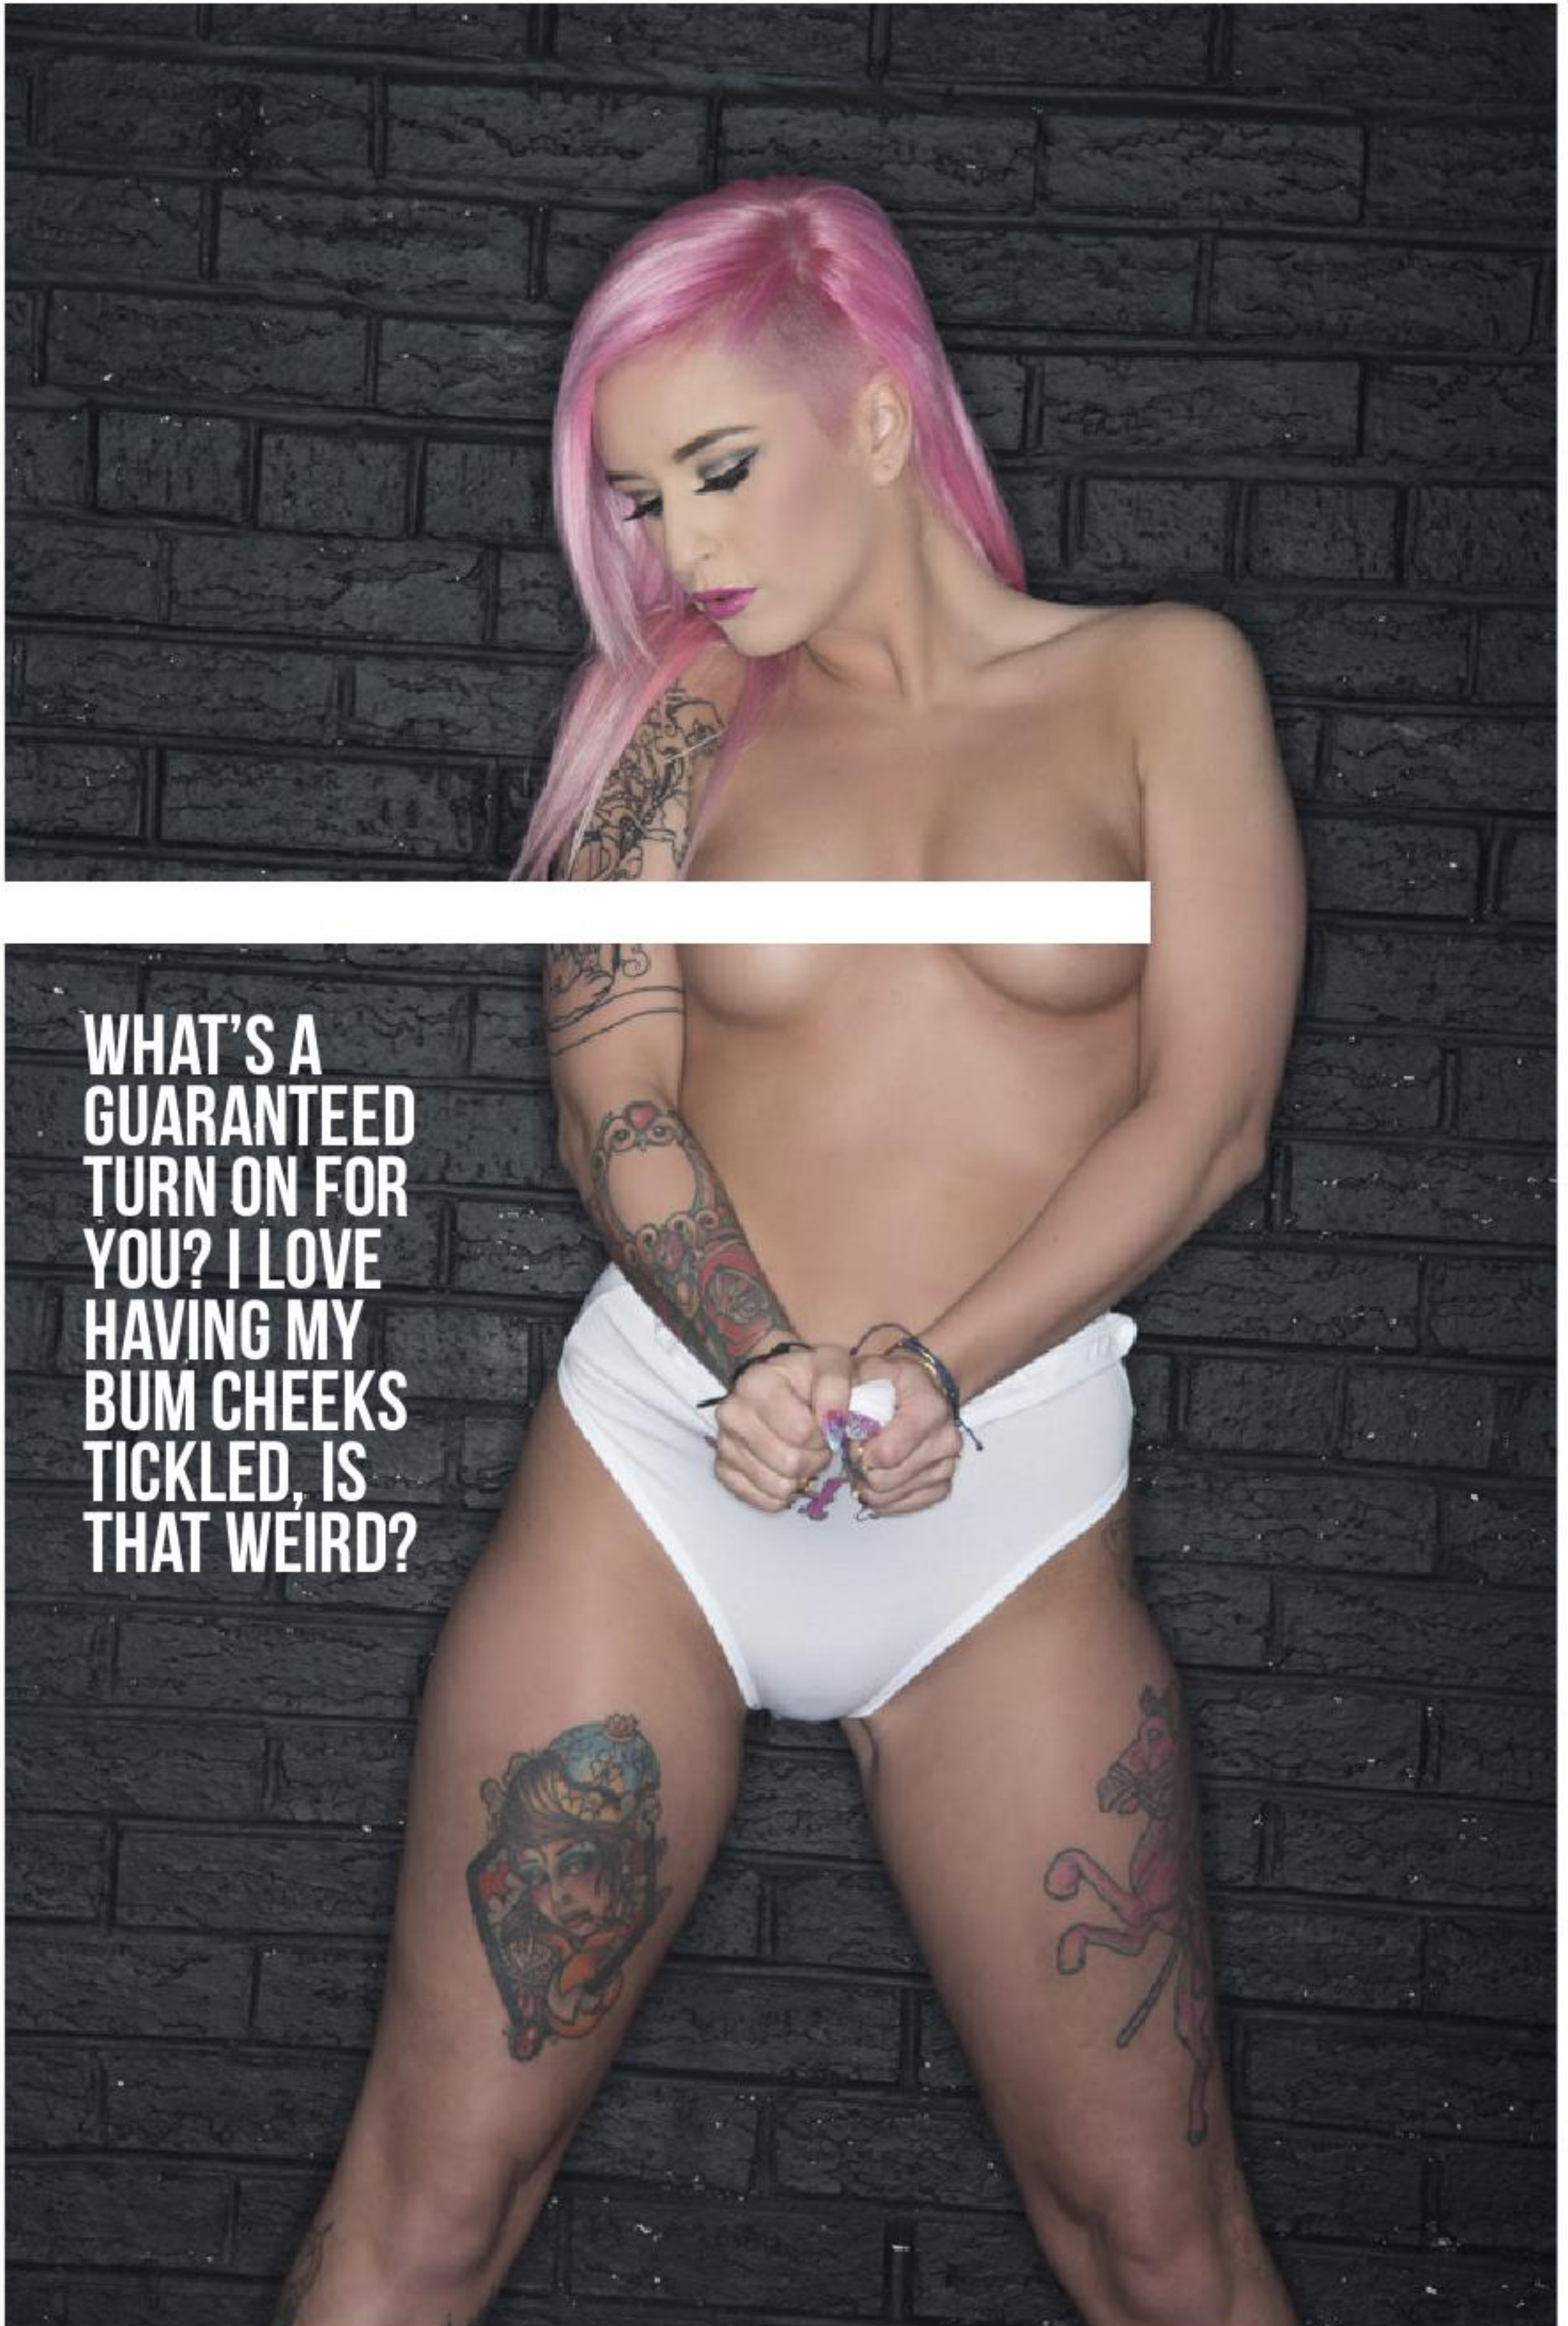

A full-body photograph of a woman with bright pink hair, wearing a black baseball cap with a crown emblem. She is posing in black underwear with white trim. The waistband of the underwear features the word 'BAZIIC' repeated. She has several tattoos: a large floral design on her right upper arm, a detailed face tattoo on her right thigh, and a pink '2' on her left thigh. She is holding a white strip of fabric across her chest. A thick pink diagonal line runs across the middle of the image.

If you could be in charge of Elite for one week, what would you do?

If I was in charge I'd organise a huge group shoot, like massive.. And have loads of booze, food and videogames!

If you could be a superhero, who would you be and why?

Well, I love Ironman, so I'd be Irongirl.. Although, that name does sound shit. Aha!

Where's the worst place you've been?

I don't really have a worst place, I've stayed in a few horrific hotels though, where you're afraid to touch anything incase you catch some kind of disease...

What's your favourite film?

I don't have one favourite film, I love anything that will make me laugh. I can't handle horror films, I think my limit would be Nightmare on Elm Street haha

Do you have any crazy phobias?

I have this weird thing about bricked up windows or doors... I just get the fear, like someone might be trapped behind it..

So how can a guy impress you?

A guy has to smell nice, and have awesome taste in shoes/ trainers and be clean.. I'm not into the scruffy look, aha!

What's your favourite fancy dress outfit?

I have a Batman costume that's pretty awesome! I wore it to go shopping last Halloween and got some crazy looks!

A black and white photograph of a woman with long, dark, wavy hair. She is looking directly at the camera with a slight, enigmatic smile. She is wearing a dark, possibly black, choker necklace with a triangular pendant featuring an eye symbol. She has a small lip ring in her lower lip and a navel ring. Her left arm is raised, with her hand near her face, and her right arm is bent with her hand near her chest. She is wearing a dark, shiny, high-waisted skirt or pants. The background is a plain, light-colored wall.

JASMINE

LOUISE JONES

Hi Jasmine, welcome to Elite! What have you been up to? Thank you! I have been a busy bee working on lots of different make-up projects and events, and getting to meet lots of talented people :)

What was it like to work with Dekker on this shoot? It was a pleasure to work with Dekker, he is a very creative and intelligent guy, so I knew it was going to be a worth while shoot! I was greeted and supplied with endless cups of tea, which is always a win :P

Who have been your favourite models of 2014? It's hard to choose, I have a million girl model crushes, Miss Annalieza, Amie Conradine, Dani Divine and Bea Dux have all got to be high up on my list!

Outside of modelling, do you have any other passions? Practising my make up artistry is one of my biggest passions as well as visiting my boyfriend and dog :P also nerding out on social media and watching lots of films and TV series!

If you could be one person for the day, who would you be and why? I'd like to be someone in power, so I could expose corruption, end all unfairness, animal cruelty and just generally take charge !

If you could be in charge of Elite for one week, what would you do? I would probably use it as a huuuuge excuse to make loads of hotties shoot with me, so I could fill it with loads of awesome photos of us all together.

If you could be a superhero, who would you be and why? Well I have a little obsession with Batman, so I would probably have to go with him! You know why? BECAUSE I'M BATMAN THAT'S WHY! Yeah, I hope you get that reference ;)

Where's the worst place you've been? Probably Blackpool, where I witness some gross things like people falling asleep in their own sick in the day... and having to listen to bad karaoke all night when I was trying to sleep in the hotel haha.

What's your favourite film? Batman, The Dark Knight !

Do you have any crazy phobias? I haven't told many people about this, it's a bit unique, I absolutely freak out at sharks... not so much real sharks. I cry at digital sharks on games. I am more comfortable looking at one in an aquarium than a game, I blame playing Spyro as a child on my PS1, I remember collecting gems underwater then with no warning a shark popped up and got me... The volume was turned up rather loud which didn't help. Since then it has sent shivers down my spine, I seriously cant look at them!

Photographer: Dekker

WHAT WAS YOUR FAVOURITE PART OF THE SHOOT? RIPPING UP THE LEOTARD WAS PRETTY FUN HAHA! MADE ME FEEL A BIT LIKE SHE-HULK.

JASMINE

L

So how can a guy impress you?

Anyone who's incredibly creative, and has a arty talent always impresses me I love creative people and I seem to surround myself with them. I've also always been impressed with anyone who can do awesome magic tricks, or if that fails just show me your best party trick haha... as I would like to see someone beat mine, which is licking my elbow!

What is the naughtiest thing you do?

Probably annoying my very religious, quiet, nasty neighbours with very loud music and other noises haha!

What's a guaranteed turn on for you?

This might be a weird one, but I have a massive thing about the smell of beer on guys breath, I don't know what it is about the smell, but if you kiss me after a beer... Yeah it's happening ! ;)

What's your favourite fancy dress outfit? I've always wanted a Catwoman or Jessica Rabbit outfit! As I don't have them I probably favour my gothic nurse outfit.

Finally, is there anything you would like to say to the Elite readers? Thanks for reading all about me and weird thoughts, You should all go follow my Instagram @jasminelouisejones and new Twitter @JLJMUA

ADREENA ANGELA

Hi Adreena, welcome to Elite! What have you been up to?

Thanks very much, it's a pleasure to finally join the crew. I'm about to disappear for two months travelling so I've actually been disgustingly lazy recently... Just shooting and partying and catching up with everyone before I disappear. It's been too much fun.

What was it like to work with Tripodski on this shoot? So much fun! It was really chilled out. As you know, a lot of the shots couldn't be used because I was laughing too much!

Who are the models you look up to? There's one above all others who always makes me stop in my tracks when she pops up on my timeline, and makes me crazy envious of her face, and that's Sophie Roach. She's got a stunning look, amazing style and just really knows how to work the camera. Also, there's my girl Skin Diamond. She has so much charisma, energy and personality and puts 100% into her work. I love her.

What was your favourite part of the shoot? Hmm... Can I say the sweetie buffet that we went to after? Sweets are one of my weaknesses. Aside from the sweets, it was my first trip to Newcastle... Northerners are so lovely and friendly!

Outside of modelling, do you have any other passions?

Many! I'm a very passionate person, which is not always a good thing. Primarily food. I have a skill for being able to turn any conversation to food or sex within 30 seconds. When I'm not taking my clothes off, I'm a pastry chef, so food and cooking is my entire life. I love cooking for others, and hosting. Eating well is really important to me. I'm also very passionate about travel! I'm about to spend two months in South East Asia; Cambodia, Laos, Vietnam and Indonesia! I plan to spend two months eating, drinking and drawing. I'm going to eat everything in sight! I trained as an illustrator so I love art, particularly contemporary Chinese art and literature. I love London and City life... I'm a real bar fly.

Photographer: Tripodski

If you could be one person for the day, who would you be and why?

This was the hardest question for me! Like everything in my life, it comes down to food and sex... I'd have to be a man, because I'd love to be able to properly penetrate. It hurts me to know I'll never do that in my life, so definitely a sexually active man. I considered Feran Adria, the pioneering chef behind El Bulli... I'd just love to be inside his mind and taste some of the things he must get to taste, because I know I'll probably never experience that in my lifetime. But I think, shallow as it might sound, I just want to be a wealthy powerful man. As a woman, I want to experience what it's like to have the natural authority of being a male. I spend my life working in luxury restaurants and hotels, and for just once I'd like to be on the other side of the door. I think I'd go out and eat at a restaurant I couldn't ordinarily get into, and then I'd go get laid.

IF YOU COULD BE IN CHARGE OF ELITE FOR ONE WEEK, WHAT WOULD YOU DO?
AAAAAALLLLL THE TITTIES.

If you could be a superhero, who would you be and why?

As a feminist, I kind of object to superheroes of both genders due to the ridiculous, sexist 1960s ideals they tend to portray, although I know this is starting to be addressed more now... That said. As a skinny, small breasted woman, it would be tempting to get to have thighs of steel and massive, rockin, super hero tits.

Where's the worst place you've been?

Stratford, Sutton, Croydon... Any of the generic towns full of shopping centres and fast food chains. They're so soul destroying.

LATEX BY
WWW.SHHHCOUTURELATEX.CO.UK

What's your favourite film? I love world cinema. I don't think I could pick just one. But some of my favourites are Showers, Angela, Des Rouilles et D'os, Le Fille Sur Le Pont... I grew up on French and Chinese cinema and that's still my favourite.

Do you have any crazy phobias? Haha yes... It sounds really stupid but dying fish make me freak out. You know when they're kind of flapping about slowly on their sides, gulping? Can't be around that. I think it's from a childhood trauma or something

So how can a guy impress you? Good grammar. I'm always attracted to someone who is passionate about anything. It'd help if he also has good knife skills and can fix a mean gin... But as long as you can string a comprehensive sentence together, you're winning.

What's a guaranteed turn on for you? Oh there's quite a lot, I'm a very sexual woman. Recently I've really been into shibari and rope suspension. I love a spanking and discovering new toys, and watching someone cut vegetables well is guaranteed to make me wet. But most of all women... I love women.

WHAT IS THE NAUGHTIEST THING YOU DO? HAHA. OH DEAR. I DON'T THINK I CAN POSSIBLY ANSWER THAT. I'D SAY... FRIDAY TO SUNDAY. THAT'S ALL YOU'RE GETTING. THAT'D BE OPENING PANDORA'S BOX.

So how can a guy impress you? I'm impressed by people who know themselves, who are confident, kind and aren't assholes.

What is the naughtiest thing you do? I'm not a rule breaker unfortunately, bit of shit bag when it comes to getting into trouble about things.

What's a guaranteed turn on for you? Wouldn't you like to know...

A woman with long, dark, wavy hair and bangs is lying on her stomach on a bed with a white sheet. She is looking directly at the camera with a slight smile, her hand resting near her chin. Her legs are raised and bent at the knees. In the background, there is a lamp with a beige shade and a window with patterned curtains.

FINALLY, IS THERE ANYTHING YOU WOULD LIKE TO SAY TO THE ELITE READERS? HOPE TO ENJOY THIS FEATURE, WAS GREAT BEING A PART OF THE ELITE TEAM ONCE AGAIN. HOPE TO SEE YOU GUYS AT SOME COMIC CONVENTIONS THIS YEAR!

Pinks

Photographer: Jack Russell

Hi Jinks, welcome to Elite! What have you been up to? Hey! Well I'm a lion tamer in my spare time so I've been on safari looking for my next lion! Haha only messing, I've just been shooting and down the gym this last week.

What was it like to work with Jack on this shoot? It was terrible, I hate getting naked and playing with my big boobs. Ha, not really he's such a talented guy and I've wanted to work with him for a long time.

Who are the models you look up to? I would say really tall ones 'cos I'm 5'8.

What was your favourite part of the shoot? The whole shoot was pretty epic to be honest.

IF YOU COULD BE IN CHARGE OF ELITE FOR ONE WEEK, WHAT WOULD YOU DO? I'D ARRANGE A GROUP SHOOT FOR ALL THE SEXY GIRLS ON MONDAY AND THEN THROW A PARTY TILL SUNDAY.

Photographer: Jack Russell

Outside of modelling, do you have any other passions? I do, I have lots haha! But my main love is art, I'm an apprentice tattooist so I'm always drawing when I have time.

If you could be one person for the day, who would you be and why? Bill Gates, so I could make sure some of his money went in my account.

If you could be a superhero, who would you be and why? I'd be Mystique from the X-Men. The blue one, she's normally a villain but she can shape shift into anyone... Imagine all the mischief I could cause!

Where's the worst place you've been? Under your bed!

Do you have any crazy phobias? Yeah pencil sharpeners and crabs, make me cringe.

So how can a guy impress you? By rubbing my bald head and making a wish... Jokes, just by being themselves, I'm really laid back so no need to front.

What is the naughtiest thing you do? I don't know what you mean, I'm never naughty... ha.

What's a guaranteed turn on for you? Kiss my neck and I melt.

What's your favourite fancy dress outfit? I've dressed up in everything from naughty sailors to Sponge Bob haha! My fave was a full on gorilla costume, I kept grabbing girls butts and running off, I thought I was going to get knocked out. It's hot in the outfit though so I took it off after an hour, I was in a sexy devil's costume underneath... Well my normal clothes ha.

FINALLY, IS THERE ANYTHING YOU WOULD LIKE TO SAY TO THE ELITE READERS? THANK YOU FOR LISTENING TO ME WAFFLE ON! I HOPE YOU LOVE THE PICTURES AS MUCH AS I DO AND I HOPE TO SEE YOU ALL AGAIN SOON X BIG KISSES.

Starfucked

Photographer: Belinda Bartzner

Hi Starfucked, welcome to Elite! What have you been up to? Hi and thank you so much for having me in your magazine again! :) Well, last year was pretty much amazing! I got second place at the Miss Fetish Election in November at the Dominatrix party. Never thought I would make it that far :) It's a great feeling! I've also been to Germany where I got to shoot with one of the biggest fetish photographers :) It feels so unreal to have come this far within the fetish model industry. I couldn't be happier! I'm looking forward to see what this year brings :) I'm starting it pretty awesome with this issue ;)

What was it like to work with Belinda on this shoot? It was a lot of fun! We are close friends and we shoot a lot together. We always have a great time and goofing around! She's an amazing person to work with! <3

Who are the models you look up to? I would say Bianca Beauchamp, Rubberdoll and Susan Wayland,. The 3 biggest models in the fetish industry. They're amazing! I would love to meet them one day.

What was your favourite part of the shoot? I would say everything! I went to Gothenburg this time to shoot though, that was really nice. I haven't been there for years so it was fun to meet and hang out with everyone again :)

Outside of modelling, do you have any other passions? Latex is a big passion of mine. Some of you might have noticed it ;) I love latex! The feeling of it and how it looks and makes you look powerful and sexy. I love when it's super shined and you just can't take your eyes off it and how it shows every curve on your body! It's one of the sexiest things ever! Some people just think I wear it at shoots, I don't ;)

If you could be one person for the day, who would you be and why? Maybe Angelina Jolie because she's so amazingly beautiful!

If you could be in charge of Elite for one week, what would you do? I would make Elite go crazy for girls in latex! ;)

If you could be a superhero, who would you be and why? Spiderman! He's cool and funny and I would totally love to swing between buildings haha!

Where's the worst place you've been? I love festivals but they also have their downs... Like living in a tent and using portable toilets... haha nightmare!

NAUGHTIEST THING
YOU DO? EVERYTHING
THAT ISN'T NAUGHTY
IS BORING! I LOVE TO
EXPERIMENT! ;)**

What's your favourite film?

Oh, I have so many I really like! I'm a Disney fan so it's a lot of Disney movies. Right now I would say Hunger Games and The Hobbit :) Looking forward to the new Avengers movie to!

Do you have any crazy phobias? Needles are the worst thing ever. That and wasps.

So how can a guy impress you?

Just to be himself! I like guys that know what they want, but try not to impress you. I don't like show offs that's a big no.

What's a guaranteed turn on for you? Sexy eyes, tattoos and neck kisses.

A woman with long, vibrant red hair is seen from behind, posing in a restaurant or cafe. She is wearing a short, shiny red latex dress with a white splatter pattern. Her arms are raised, and she has extensive black tattoos on both forearms. She is also wearing black high-heeled sandals. The background shows a blurred interior with tables and chairs.

What's your favourite fancy dress outfit? I'm not a fancy dress person, I prefer to wear a nice pair of pants or jeans together with a sexy top. But at fetish events I would say my black short latex dress with silver details from HMS with a pair of platform sandals. That dress is amazing!

Finally, is there anything you would like to say to the Elite readers? Thank you so much everyone that follows and supports me! You are all amazing! I wouldn't be here without you <3 And thanks Elite for having me here again! :) I hope all of you enjoyed the reading xx Starfucked

MIMI CHRISTIE

Photographer: Mermaidium

Hi Mimi, welcome to Elite! What have you been up to? Hey there! To be honest I've been a tad bit lazy recently after all the festive excitement. I was given way too many toys to play with! When I have done something though it's been the usual pole dancing, photoshoots and horse riding. I've just had a week off work so made the most of it by playing X-Box, watching Netflix and never leaving the house. For shame!

What was it like to work with Mermaidium on this shoot? It was great. He's a wonderful guy! And considering I spent the day flashing him he made me feel super relaxed!

Who are the models you look up to? I have the biggest girl crush on Michelle Lewin. Damn she fine!

What was your favourite part of the shoot? Playing with the photographer's dog... And I promise that's not how it sounds haha.

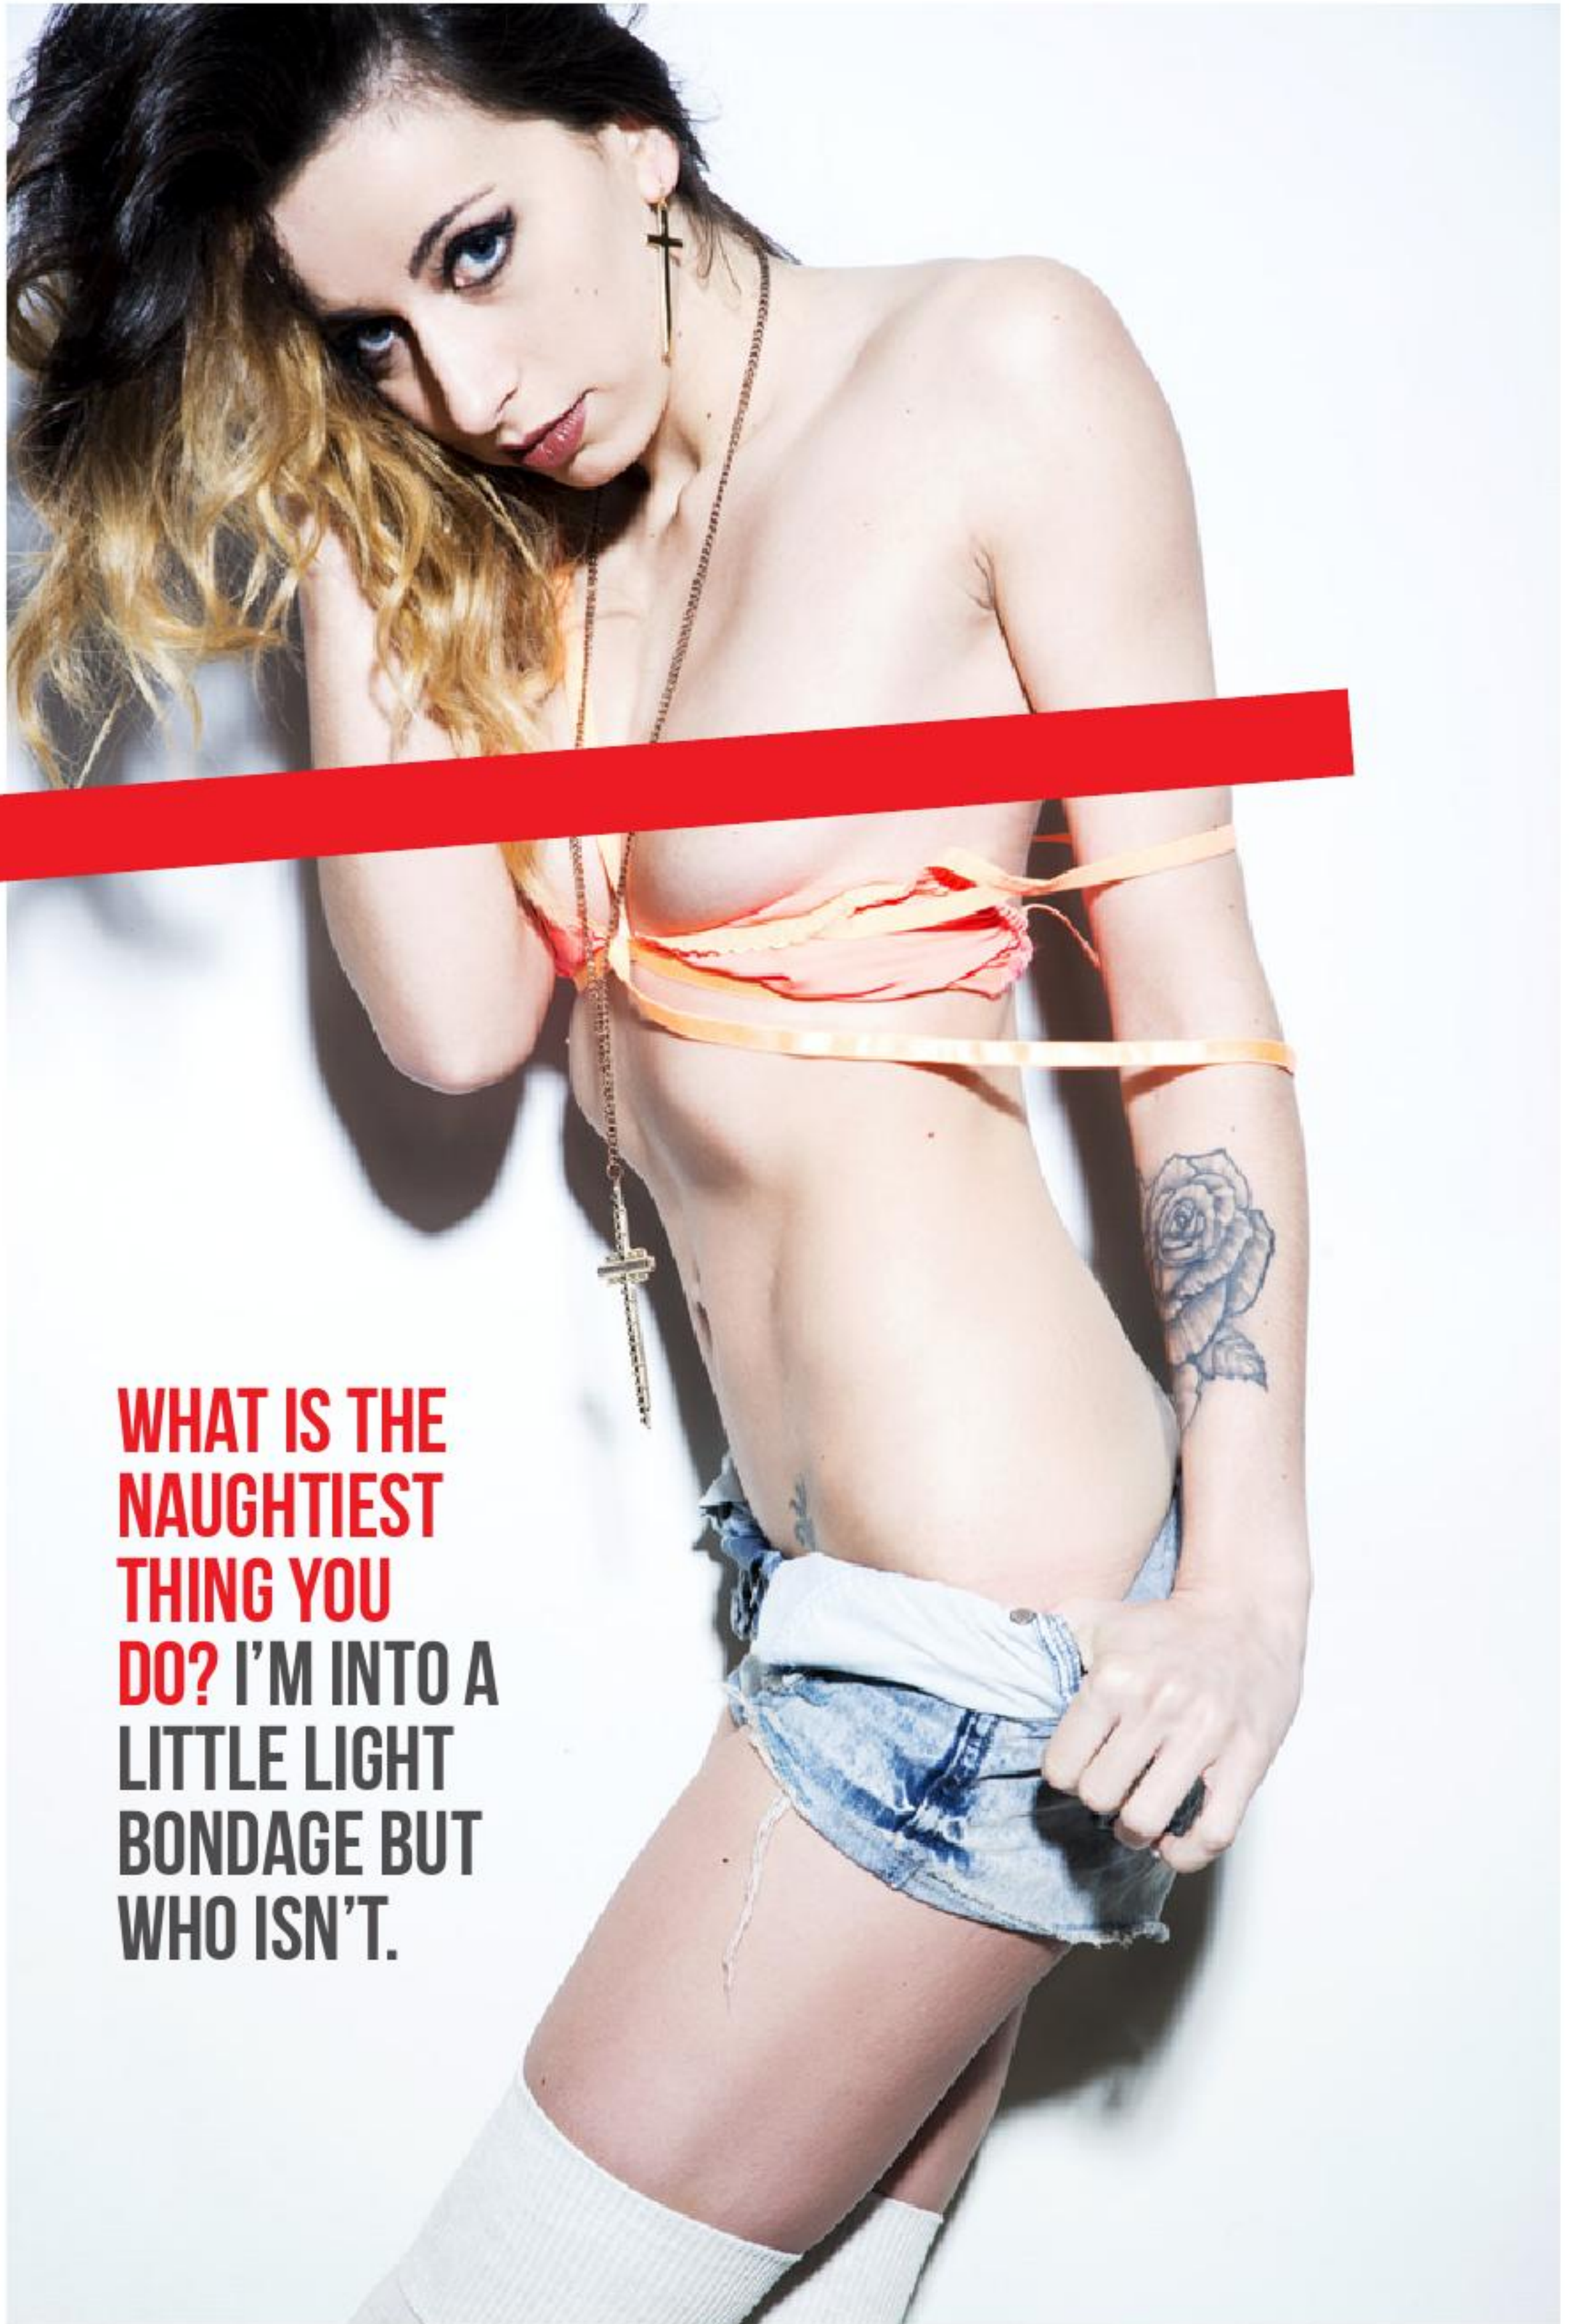

Outside of modelling, do you have any other passions? Absolutely tons! I wanna try a bit of everything in life and I'm working my way through the mahoosive list I have. I'm an animal fanatic and have 2 cats and care for 3 horses, chances are I'll be your best friend if you have a pet of any kind and let me play with it. I absolutely love pole dancing too! It's one of the few things I'm ridiculously good at.

If you could be one person for the day, who would you be and why? Oh wow this is a hard question. I have to say Roger from American Dad. Then I could be anyone I want, do anything I want, and poop gold.

If you could be in charge of Elite for one week, what would you do? Probably get everyone drunk and have an epic, sexy party! I'm not a very good influence, but I'd make sure we had a couple photographers there to document the events. So everyone can see how us alternative models get it crunk!

If you could be a superhero, who would you be and why? Loki, the God of Mischief. Imagine the carnage.

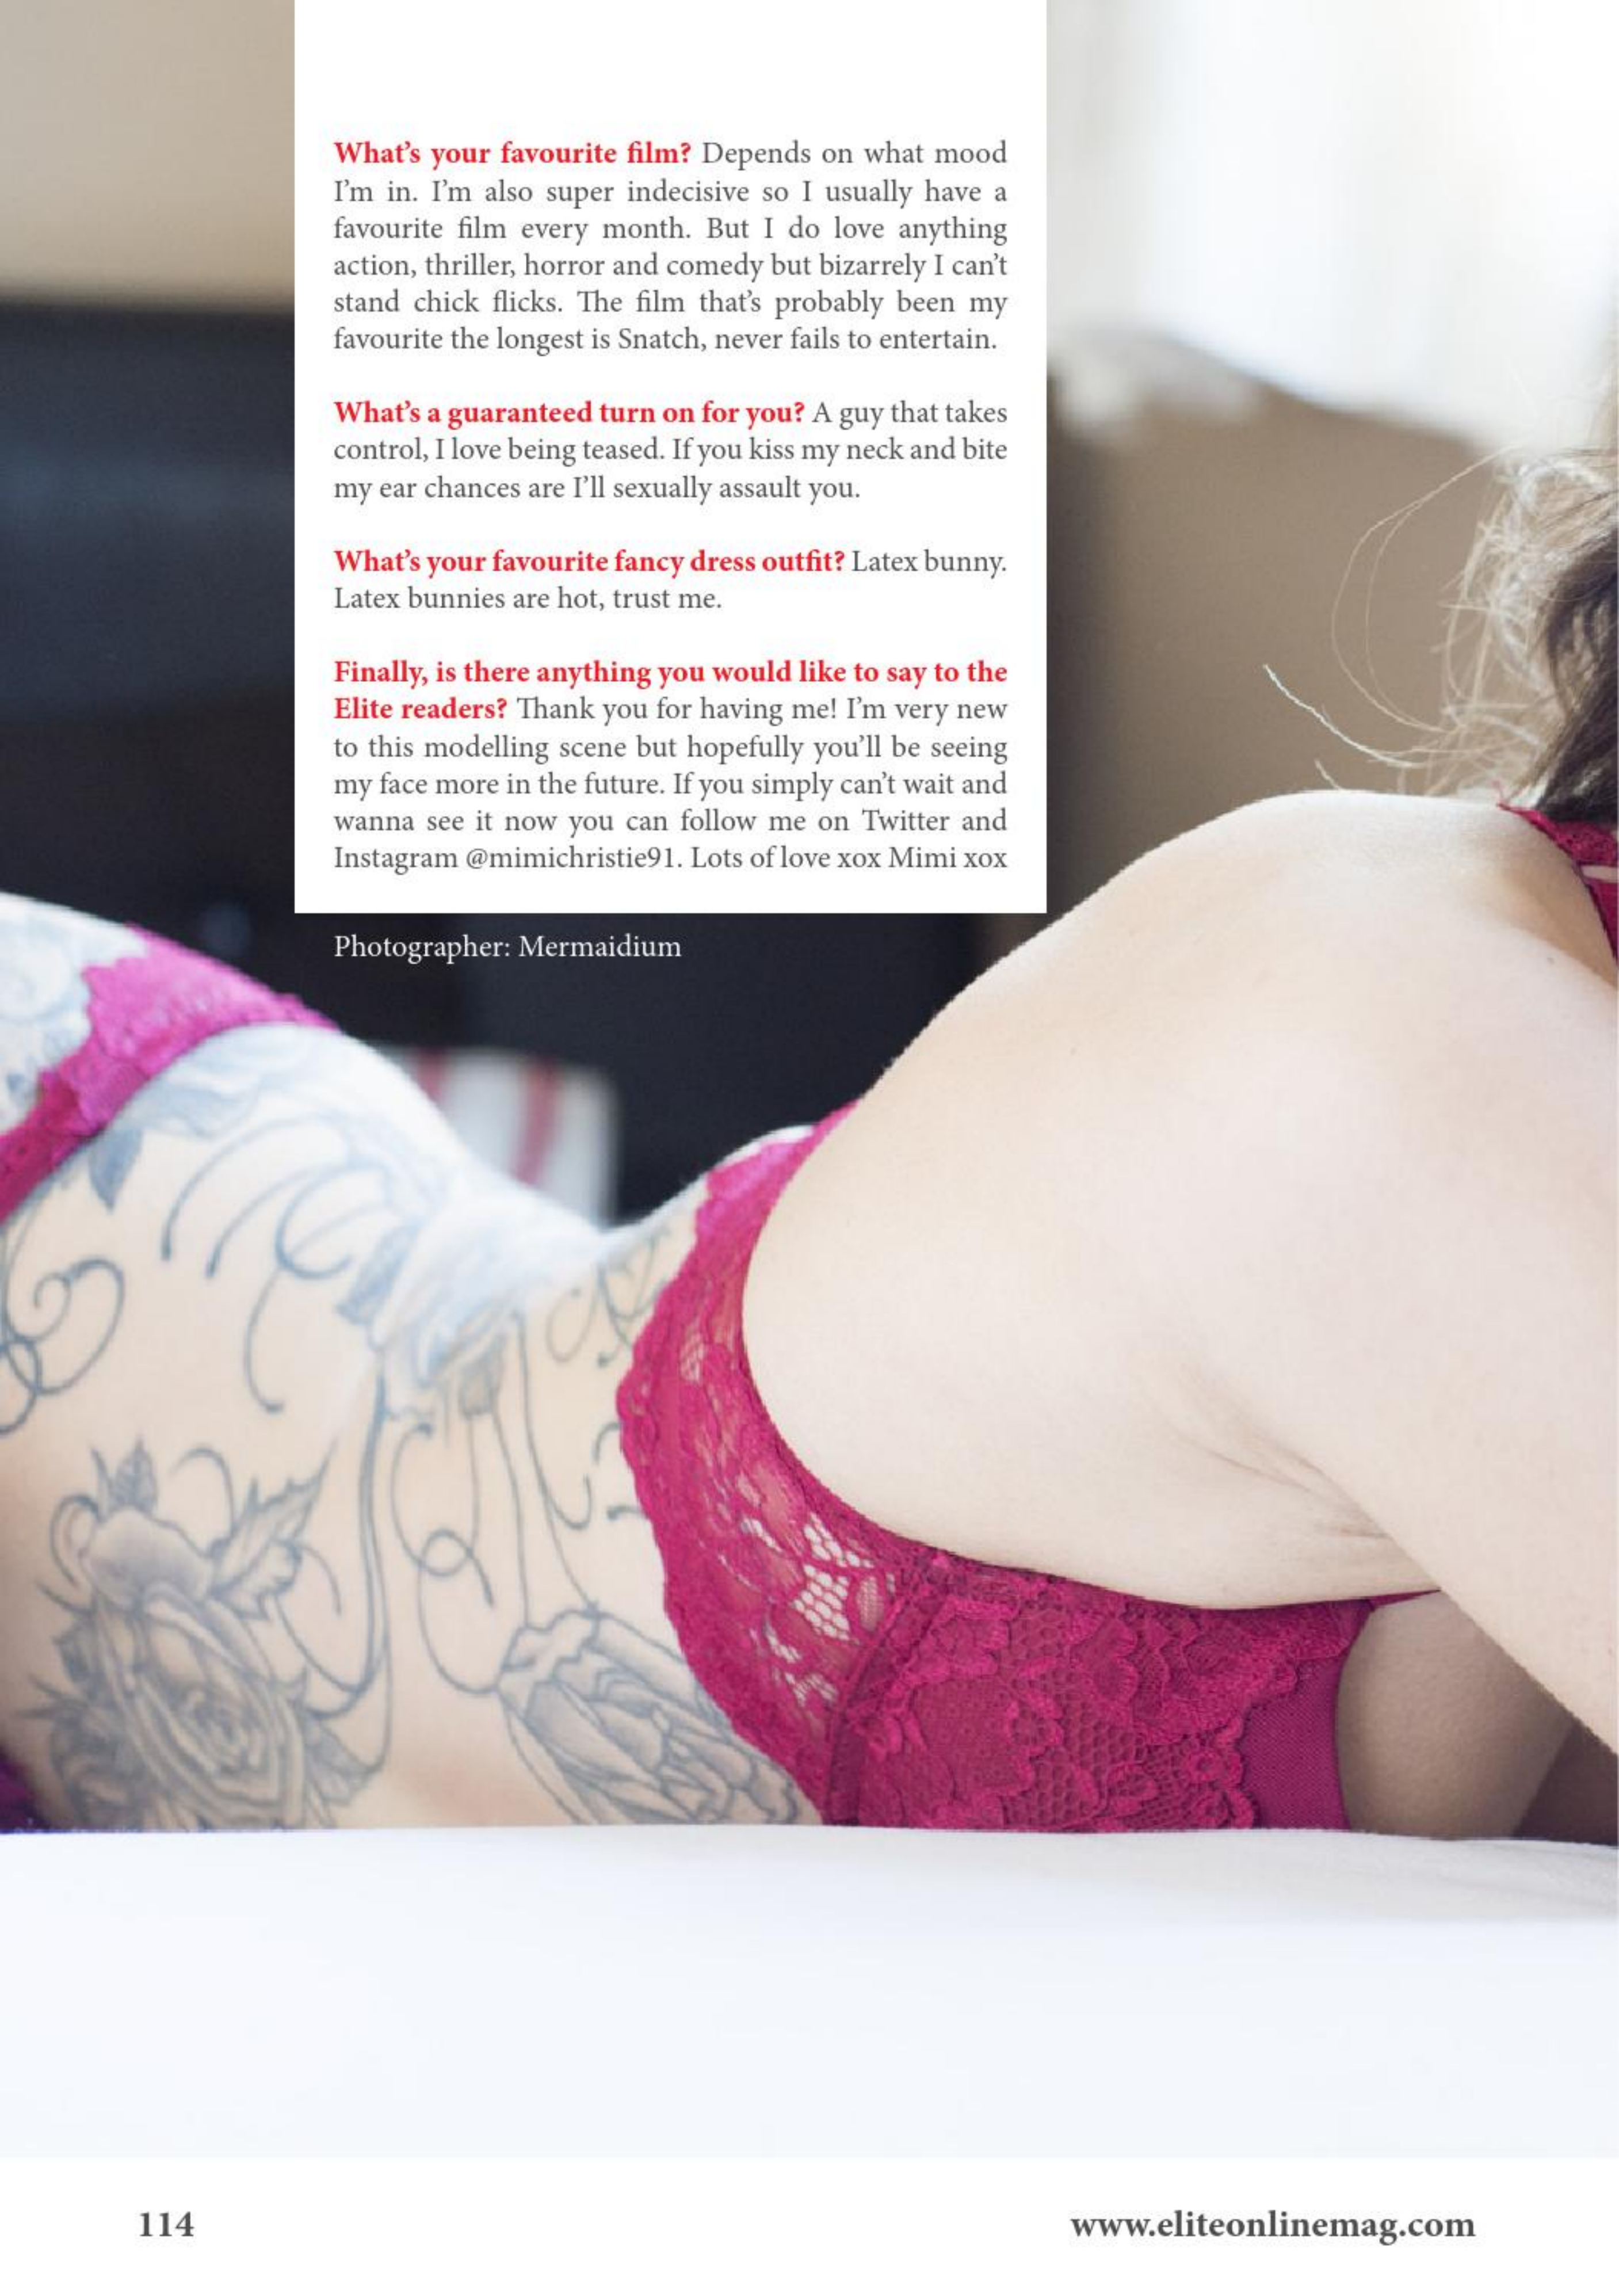

Where's the worst place you've been? A nightclub in Berlin called Yuum. I honestly thought, 'yep I'm gonna die here'. But I didn't, yay.

**WHAT IS THE
NAUGHTIEST
THING YOU
DO? I'M INTO A
LITTLE LIGHT
BONDAGE BUT
WHO ISN'T.**

DO YOU HAVE ANY CRAZY PHOBIAS?
I'M MAJORLY SCARED OF HEIGHTS,
BUT I'M AN ADRENALINE JUNKIE SO I
LOVE BEING HIGH AND TERRIFIED!

What's your favourite film? Depends on what mood I'm in. I'm also super indecisive so I usually have a favourite film every month. But I do love anything action, thriller, horror and comedy but bizarrely I can't stand chick flicks. The film that's probably been my favourite the longest is Snatch, never fails to entertain.

What's a guaranteed turn on for you? A guy that takes control, I love being teased. If you kiss my neck and bite my ear chances are I'll sexually assault you.

What's your favourite fancy dress outfit? Latex bunny. Latex bunnies are hot, trust me.

Finally, is there anything you would like to say to the Elite readers? Thank you for having me! I'm very new to this modelling scene but hopefully you'll be seeing my face more in the future. If you simply can't wait and wanna see it now you can follow me on Twitter and Instagram @mimichristie91. Lots of love xox Mimi xox

MISTY

Hi Misty, welcome to Elite! What have you been up to? Hi :) Well apart from the usual, I have been playing a lot of Majoras Mask on my 3DS, had a couple of shoots and made a start on my sleeve finally!

What was it like to work with Tripodski on this shoot? It was brilliant! He is so much fun too :)

Who are the models you look up to? My biggest role model would be my amazing sister Jessica Lou, I am so proud of her and look up to her so much :)

What was your favourite part of the shoot? When I wasn't behind the camera, I loved just sitting and having a laugh with everyone.

If you could be one person for the day, who would you be and why? Hmm I honestly don't know... Probably just any guy so I could see what its like to have a willy haha.

**OUTSIDE OF
MODELLING, DO
YOU HAVE ANY
OTHER PASSIONS?
COSPLAYING,
VIDEO GAMES AND
ARCHERY.**

If you could be in charge of Elite for one week, what would you do?

Probably just make a cool cosplay issue :P

If you could be a superhero, who would you be and why?

Either Spiderman or Jean Grey. Spiderman because flying around using webs looks far too fun and Jean as her power is very useful, reading the mind of others would be very interesting!

Where's the worst place you've been? I don't actually know! Erm... I don't like graveyards, so there maybe?

What's your favourite film? Taken :)

Do you have any crazy phobias? I don't think they are crazy, but aliens and monkeys are the weirdest.

So how can a guy impress you? To be himself :) Make me laugh and know how to use a bow :P

What is the naughtiest thing you do? Haha... I'll keep that to myself ;)

What's a guaranteed turn on for you? Guys with weapons... No idea why! Mainly crossbows etc.

Finally, is there anything you would like to say to the Elite readers?

Erm... Thank you for reading my interview, I am mainly a cosplay model but like to do some different kinds of modelling like this too :) Check out my facebook page if you are a cosplay fan :) www.facebook.com/MistyyCosplay. Thank you! <3

Who are the models you look up to? I love Roxy Reveals, Rebecca Crow, Arabella Drummond and Becky Holt. All amazing and beautiful successful ladies.

What was your favourite part of the shoot? Crawling around on the sofa in just my pants and socks was pretty fun!

If you could be one person for the day, who would you be and why? Tom Hardy's wife. Haha do I need to say more?

If you could be in charge of Elite for one week, what would you do? I would do a Big Brother style party week with all the Elite girls. Live boobs, booze and tattoos.

Where's the worst place you've been? School. Hated every minute!

What's your favourite film? Lawless is one of my many faves.

Do you have any crazy phobias? Fish! They freak me out.

So how can a guy impress you? Love a bit of sarcasm and a piss taker!

What's your favourite fancy dress outfit? My Sally from Nightmare Before Christmas costume I made myself and then tore off after a few too many drinks.
